Welcome to the edge

Less weight. More power. And a heart-pumping, soul-stirring drive. This is performance uncompromised. This is the 600LT. The fastest, most extreme Sports Series car we've ever engineered. And the latest member of the McLaren Longtail family. A pure distillation of everything we stand for. Setting track thrills loose on the road. In their rawest form.

The 600LT's pulsating core is a pumped-up 3.8-litre McLaren V8 engine. It propels a stripped-back driving machine that weighs 96kg less than the 570S. Shaped by a radical aerodynamic design with the iconic stretched Longtail profile at its heart. Add in dynamics born for the track, and it's a car that'll leave your pulse racing long after the ignition cuts.

Standard features

The technology

Built upon our strong, light, MonoCell II carbon-fibre chassis. Powered by a ferocious McLaren 3.8-litre V8 boosted with 30 PS of extra punch. The 600LT is alive with track-inspired technology. Like Inertia Push. McLaren brake steer. And LT-tuned dynamics.

Powertrain

- M838TE 3.8L twin-turbocharged V8 engine
600 PS/620 Nm of torque
- Eco start-stop system with deactivation switch
- Top-exit stainless-steel exhaust system
- Stiffened engine and transmission mounts
- 7-speed + reverse Seamless Shift Gearbox (SSG)
- 3x powertrain modes (Normal, Sport, Track)
- Ignition cut gearshifts
- Twin multi-plate clutches
- Open differential

Driver Assistance

- Anti-lock Braking System (ABS)
- Dynamic Electronic Stability Control (DESC)
- Traction Control (TC)
- Hill hold assist
- Cruise control
- Electronic parking brake

Suspension

- Adaptive damping 'LT' tune with
8mm lowered ride height
- 3 x handling modes (Normal, Sport, Track)
- McLaren brake steer
- Lightweight wishbones and uprights

- Dark Palladium carbon-fibre front splitter with integrated twin endplates
- Dark Palladium carbon-fibre rear deck with integrated exhaust outlets
- Dark Palladium carbon-fibre service cover
- Dark Palladium carbon-fibre extended side skirts with aero winglets
- Dark Palladium exterior door inserts
- Dark Palladium carbon-fibre extended side intakes
- Dark Palladium carbon-fibre rear bumper with integrated full-width diffuser
- Dark Palladium carbon-fibre rear bumper aero fins
- Dark Palladium carbon-fibre fixed rear wing with matte black heat shield
- Dark Palladium belt moulding / rear fender closures
- Body colour door mirror casings and door mirror arms
- Body colour roof and cantrails
- Stealth exhaust finishers
- Dark Silver LT exhaust bezel

Standard features

The cockpit

Uncluttered. Uncomplicated. Uncompromised. This is a cockpit designed for pure driving focus. For taking your performance further. It's why McLaren Track Telemetry comes as standard. Why durable Alcantara® covers the cabin. And why bare carbon fibre lies beneath your feet.

Alcantara® LT Interior Trim

- Full Carbon Black LT Alcantara® interior
- Carbon Black Alcantara® steering wheel
- Black textile headlining
- Black seatbelts
- Tonal Carbon Black stitch

Interior

- Regular or touring fit carbon-fibre racing seats with fixed passenger seat

- No air conditioning
- Black sparkle metallic interior components (switch-pack surrounds, steering wheel spokes and gear shift paddles)

- Satin chrome brightwork
- Driver and passenger front and side airbag
- Driver and passenger knee airbags¹

Infotainment

- 7" portrait touchscreen monitor
- On-board memory
- USB connectivity
- No IRIS navigation (inc. cluster turn-by-turn display)
- No audio system
- McLaren Track Telemetry (MTT) with lap time function

Exterior colours

The finish

Make a statement. Express your personality. The 600LT is available in a range of striking colours. Mixed by hand. Finished by hand. Beginning with classic Silver as standard. And taking in Special and Elite finishes that raise the style of our latest Longtail even further. Not to mention a selection of MSO Defined colours. To give the 600LT the attention it deserves.

Standard	Special		Elite		MSO Defined		
 Silver	 White	 Luminaire Green	 Vermillion Red	 Myan Orange	 Papaya Spark	 Burton Blue	 Abyss Black
	 McLaren Orange	 Silica White	 Cosmos	 Saros	 Polaris Blue	 Lantana Purple	 Fistral Blue
	 Onyx Black	 Curacao Blue	 Chicane Effect	 Sicilian Yellow	 Ceramic Grey	 Mauvine Blue	 Amethyst Black
			 Vega Blue		 Sarthe Grey	 Paris Blue	 Murawai White
					 Helios Orange	 Borealis	

Wheel designs

Turn up the style

Your 600LT is factory-fitted with the lightest wheels ever on a McLaren Sports Series. And the resulting reduction in unsprung weight equals noticeably nimbler dynamics. Feed your dark side with a Gloss black finish. Add distinctive highlights with Satin raw metal finish. And choose from 10-spoke or 5-spoke designs. All strong. All light. All exclusive to the 600LT.

Warranty and servicing

Warranty Confidence guaranteed

We stand firm by the quality of our engineering. That's why your 600LT is covered by our comprehensive three-year McLaren Vehicle Warranty as standard. That includes the car, and its finish.... no matter how far you drive. It even includes roadside assistance in selected regions. Or go for ultimate peace of mind and increase your coverage to up to 12 years with the McLaren Extended Warranty.

Servicing Perfected. Protected.

Your 600LT is a finely tuned machine. At a McLaren dealership, it'll get the meticulous attention it deserves. Annual services (or at 15,000 km/10,000 mile intervals) are delivered by genuine McLaren-trained technicians. To keep your car in peak condition. So there's no reason every moment in your Longtail shouldn't feel as adrenaline-fuelled as the first.
